

TYKA SOLUTIONS LLC

Overflow & Last-Mile Logistics – Charles County & Southern MD Region

CAPABILITY STATEMENT

WHO WE ARE

TyKa Solutions LLC is a Waldorf, MD-based logistics company built specifically to support prime contractors, hospitals, law firms, and commercial businesses with overflow, after-hours, and last-mile deliveries in the Charles County and Southern Maryland region. We're a local, owner-operated team that answers the phone when you call – built to be your backup when your usual driver is booked, your load is too heavy, or you need after-hours support.

CORE COMPETENCIES

- **Overflow & Emergency Deliveries** – Same-day, after-hours support when your usual courier can't make it; capacity reserved for partners.
- **Last-Mile Delivery** – Final drop to PAX gates, hospitals, and law firms – with GPS tracking and proof of delivery.
- **Scheduled Route Services** – Daily/weekly recurring runs. We never miss a pickup.
- **Secure Transportation** – Chain-of-custody, tamper-evident, HIPAA-compliant handling for sensitive items.

DIFFERENTIATORS

- **Reserved Overflow Capacity** – We exist for overflow – same-day capacity when you're in a pinch.
- **Base-Access Experienced** – We know PAX gate procedures and plan extra time accordingly.
- **Fully Insured & Compliant** – \$1M liability + cargo insurance, HIPAA-trained, GPS-tracked on every run.
- **Owner-Operated** – You call, the owner answers – no call-center runaround or delays.
